### Did you know?

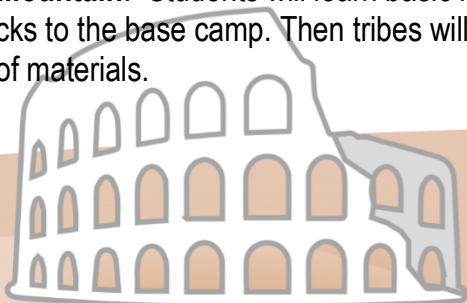

**Challenge Island Pinellas county won for 2019's Best of the Bay award in the after school program category?**

Challenge Island has amazing curriculum and activities! Children think they are a having party, but they are learning! **Try one Challenge Island class for free!** Please text or email us for a trial class.

### Some of the learning objectives and activities covered in this Island:

**Mayflower Harbor:** Learn about 1620 when the Pilgrims set sail on the Mayflower for the New World. Then use a variety of materials to design and build a wind powered boat.

**Gold Rush Mountain:** Students will learn basic history of the California Gold Rush and how mine trains were used to move the rocks to the base camp. Then tribes will use their materials and creativity to design a Runaway Mine Train Ride with variety of materials.
