PARENT SERVICE HOUR & FUNDRAISING AGREEMENT

I/We _____ understand that the charter for CountrySide Montessori Charter School (CMCS), approved by the Pasco County School District, requires participation by the parent(s) in the ongoing, overall operations of the school.

I (We) understand that, for the Montessori philosophy of their education to be effective, teachers, administration, students, and parents of CMCS must volunteer time and talent. We must work together to build a loving, welcoming community in which the students will grow academically, socially, and emotionally. Parent education meetings may be held to help everyone better understand the Montessori approach to learning.

I (We) understand that a **minimum of 15 service hours per year** will be required of **each family** enrolled at CountrySide Montessori Charter School. By accepting placement at CMCS, you are committing to complete at least 15 service hours per school year.

I (We) understand that we are responsible for recording service hours via the CMCS website. Total hours for the school year must be completed by May 25, 2022. If service hours are not completed by May 25, 2022 please contact the school for other options. Failure to complete your service hours may result in a review of your child's placement at CMCS.

I (We) understand that each family will be responsible for participating in fundraising activities to provide the additional funds necessary to continue supporting our high-quality, Montessori educational program. **All CMCS families are expected to purchase or assist in the sale of a minimum of twelve (12) Cougar Cards, two (2) tickets for Chance to Win, and two (2) tickets for the annual Butterfly Auction.**
